KING COBALT IS DEFEATED

GETS OFF SLOWLY AND FINALLY SWERVES IN BEHIND SAL VOLATILE NEAR THE END.

Reidmoore Wins at His Fourth Essay This Week—Royal Onyx Scores in Fast Time—Bannell First Easily.

Hamilton, Ont., October 9.—Today was an off day at Hamilton and the card offered was in keeping, the conditions of a majority of the races being framed to suit the poorer class of horses. The racing, too, was not up to the standard of the previous days of the meeting and the result in at least one race was far from satisfactory to race-goers. The best field that went to the post during the afternoon started in the fifth race, and on recent form King Cobalt seemed easily best. He was ridden by Nicol and was a heavily backed favorite, but the best he could do was finish third. Sal Volatile and Park Row both beating him out. The wise division wagered heavily on Park Row, despite that horse's poor showing back of Aimee C. a few days ago.

Two favorites managed to win, the successful choices being Bannell and Royal Onyx. The attendance was again large, over 1,000 persons coming down on the Toronto special.

Royal Onyx showed a fine performance in the fourth race, which he won in runaway fashion. In the second race Reidmoore surprised everyone by jumping out and winning rather easily from the favorite, Charlie Gilbert. It was Reidmoore's fourth race since Monday. In his three previous starts he finished second twice and third once.

Bannell had little better than a good gallop in the steeplechase. He was always at odds-on and carried some heavy commissions. After Bannell had been warmed up, Allen Case strolled into the paddock and asked H. Graham, trainer of Bannell, if the horse was for sale. He was informed that $400 would purchase him and a transfer was immediately made and the horse ran in Case's interests.

Another jumper was sold during the morning, I. W. Booth securing Byzantine from A. Bailer. The horse will be shipped with the rest of the Booth horses to Baltimore.

A. B. Dade has patented a new starting gate which he will use next season. It is said that the gate is very similar to the McGinnis machine, being operated on the same principle.

It has been definitely decided to give a ten days' meeting at Dufferin Park, Toronto, a half-mile ring on which trotting races have been held during the past summer. The meeting will be given under the auspices of the York Driving Club and will open Tuesday next. The man behind the scheme is said to be A. M. Orpen, the well-known poolroom proprietor. There is already a rumor that horsemen and horses participating in the racing at Dufferin Park will be placed under the ban by the other associations in Canada.

Babble and Ruxton were scratched out of the opening race by order of the stewards. The horses were not reported in time by their owners to the paddock judge.

Jockey G. Burns was suspended for the remainder of the meeting for rough riding in the second race. Burns had the mount on Golf Ball and interfered with Charlie Gilbert.

"Tip" Lee, well known on the western turf as an ex-jockey, is reported to be dying in the Grand Central Hospital in Toronto.

GRAND CARD AT BELMONT PARK TODAY.

Jamaica Meeting Will Probably Be Given Despite Clashing with Pimlico—Fast Work-Outs.

New York, October 9.—The best and most varied fag end of the season racing card is down for decision at Belmont Park tomorrow. It includes three valuable stakes in the Brook Cup Steeplechase, the Nursery Handicap and the Municipal, besides three very attractive overnight races. Nearly all of the remaining turf celebrities now in training are entered and good sport should result. Weather indications for tomorrow are unfavorable. Rain and mud, however, should not cause any withdrawals among the topnotchers, for they are all tried mud runners.

Eddie Dugan will leave for California next week, his mother and brother accompanying him.

Probabilities are that the fall meeting at Jamaica will be held notwithstanding the opposition at Baltimore. Every effort has been brought to bear on the Pimlico Association to have it change its dates so that Jamaica could run its meeting without conflict, but the Baltimore management has failed to agree to any changes. The matter is not settled, but the probabilites are ten to one that Baltimore will hold its meeting as scheduled. In the meantime everything is being prepared for Jamaica as if Baltimore never existed. Most of the principal stockholders are in favor of holding the fall meeting notwithstanding the adverse conditions. They are willing to end the season according to the wishes of all concerned, no matter at what cost.

This will be good news for horsemen who were fearful that the meeting would be called off, which would deprive them of a share in the distribution of something like $25,000, that being the presumed amount that will be given away in overnight purses and handicaps.

Brookdale Nymph ran her last race yesterday. She will be sent to Kentucky to occupy a stall on Mr. Whitney's farm.

Gwyn Tompkins says that Jimmy Lane has won more races than any jumper that ever fenced in this country. "His record up to date is twenty-four victories," said Tompkins, "eleven of which have been recorded this year."

Some work-outs having a bearing on nearby racing were pulled off yesterday and today. The most important were:

Tattling, three-quarters—12⅗, 24⅘, 36⅘, 48⅘, 1:01⅘, 1:15⅘.

Hilarious, seven furlongs—12, 23⅘, 36, 48⅘, 1:01⅘, 1:13⅘, 1:27⅘, handily.

Suffragette, six and one-half furlongs—14⅘, 28⅘, 40⅘, 54, 1:05⅘, 1:19⅘, easing up and is now at her best.

Selectman, seven furlongs—12⅘, 25, 37⅘, 49⅘, 1:02⅘, 1:14⅘, 1:30, pulled up. This was his final work for the Nursery Handicap.

Melisande, three-quarters—11⅘, 22⅘, 34⅘, 47⅘, 1:00⅘, 1:15, eased up, also her final work for the Nursery Handicap, for which she may start.

Practical, three-quarters—12, 24⅘, 36, 49⅘, 1:02⅘, 1:16⅘, easily. It was Practical's final work for the Nursery Handicap.

Joe Madden, three-quarters—12, 23⅘, 35⅘, 48⅘, 1:01⅘, 1:15, [illegible]. It was his final work-out for the Nursery Handicap and he should be a dangerous contender.

Abe Daniels, a well-known turfman, died at the Clarendon Hotel suddenly at 4 o'clock this morning. He will be buried on Sunday. Mr. Daniels had been a prominent figure on the turf for many years.

FIRST DAY OF HAGGIN'S NEWMARKET SALE.

Sydney Paget Among the Buyers—Favorable Comment on Appearance of the Yearlings.

By cable came information of the best prices realized in the sale of Haggin's yearlings on the first day of the sale at Newmarket, September 29. Details by mail show that Sydney Paget was among the purchasers. Commenting on the sale Sporting Life says:

"With the numerous sales of yearlings during the past month, buyers of young bloodstock have practically filled up their requirements, and but for this fact there would doubtless have been many more buyers present at the Park Paddocks, Newmarket. A finer lot of yearlings have seldom been seen than the first twenty-five of a draft of sixty-two sent up by Mr. J. B. Haggin from Elmendorf, Kentucky, and many bargains were picked up; for, although several sold fairly well, the majority must have gone for far below their value."

Of the character and make of the youngsters sold the same newspaper said:

"They are all splendidly developed, well muscled, and with good clean legs and feet. Some of them are coughing, and one in particular this morning coughed persistently while in the ring. As it happened, however, he was the one that made the top price—a colt by Africander out of a mare by Goldfinch, son of Ormonde. Put in at $250 there was a triangular duel between Mr. F. W. Lambton, Mr. Ernest Dresden and Sam Pickering. The first named outstayed the others, and was declared the buyer at $3,050. This is a very racing-like, shapely bay colt, which is pretty sure to pay his way in good-class company; indeed, we are certain to see a number of these yearlings figuring in important handicaps in two or three years' time. Africander, the sire of the colt just alluded to, and of others sold today and to be sold tomorrow, is a son of Star Ruby, by Hampton out of Ornament. He was a good performer on the turf, winning over $100,000 in three seasons. The first lot sold this morning was another of his sons, a colt out of the Hanover mare, Accurate. He made a good show, and Mr. Sydney Paget did not overshoot the mark when he bid $1,000

"A very good-looking chestnut colt by Maxio, out of a Friar's Balsam mare, was secured by Mr. Saunders Davies for $1,500, after a tussle with Mr. Ernest Dresden, who occupied his usual place on the right of the rostrum. This colt is remarkably well bred. His sire is a grandson of Musket, and his granddam is Irony, the dam of Vampire. He looks like making up into a fine horse. If disappointed in this instance, Mr. Dresden solaced himself by buying the next lot, a beautiful dark bay colt by Watercress out of Colonial, a mare by Trenton. This is a most stylish individual, and events will probably prove that Mr. Dresden was lucky to get him for $2,100. Felix Leach obtained a fine big colt by Greenan for $1,125. Mr. Dresden bought a promising chestnut colt by Royal Flush for $700, and a handsome colt by Goldfinch for $1,000. Baker should be able to turn to good account the colt by Greenan, for which he gave $775, and finally Sam Pickering, with an offer of $1,550 outbid F. W. Dr- and others for the splendidly bred colt by Greenan out of Majolica, by Watercress."

HORSEMEN REGISTERING TO A MAN.

New York, October 9.—State Superintendent of Elections William Leary is directing his special attention to the registration of voters in what are known as the race track districts in the sixteenth assembly district in Brooklyn. The enrollments in these districts for the first two days are curiously large.

In the sixth election district of the sixteenth assembly district, in which most of the stables of the Sheepshead Bay track are situated, no less than 424 were registered on Monday and Tuesday, which is nine in excess of the entire four days enrollment in 1906 and three in excess of the total enrollment last year.

In the fifth election district 348 were registered in the first two days, which is only sixteen less than the entire enrollment last year. Like conditions prevail in all the other race track districts.

Superintendent Leary yesterday instructed his deputies, McEwen and Bee, who are in charge of the branch office at Coney Island, to institute a most rigid investigation. Mr. Leary said:

"There is no objection to the registering and voting of any person who actually resides in a stable, but the person must reside there in order to vote. If we find that a stable with limited sleeping accommodations has been claimed as a residence by more persons than could reside there there will be trouble.

"Horse stalls, sheds, grandstands and like buildings cannot be claimed as homes."

CONDENSED HISTORY OF THE NURSERY HANDICAP.

The forty-fourth renewal of the Nursery Handicap will be run at Belmont Park this afternoon. It is one of the few fixtures of the American turf that has been run so long and Belmont Park is the third track over which it has been contested. Its home was at Jerome Park originally. Then it was moved to Morris Park and finally to the magnificent big course of its present place of decision. Won first by one of the grandest mares that ever started in it, it was then won for three more years in succession by fillies before a colt carried off its honors, that colt being Harry Bassett, one of the greatest of the band of mighty racers owing their paternity to Lexington. Following him such celebrities as Joe Daniels, Wi'd-idle, Rutherford, all of which ended their days in California, Olitipa, Duke of Magenta, Sensation, Dew Drop, Firenze, Yorkville Belle, Ben Brush, Plaudit, Ethelbert, King's Courier, Bellario, Eugenia Burch and Perverse have had their names inscribed on its list of winners. A big entry list made it an event of great value when Yorkville Belle won from Dagonet, but as a rule it has been one of the middle grade stakes in point of value, but nevertheless one strongly coveted by owners. Its long record is as follows:

CONDENSED HISTORY OF THE MUNICIPAL HANDICAP.

The Municipal Handicap was established at Morris Park fourteen years ago as a test race for stayers of high class and has abundantly met the expectations of its founders. For one thing it was in this event that the fastest mile and three-quarters ever recorded in this country was run when Major Daingerfield won it in 2:57 in 1903. For another it gave that remarkable stayer, Ben Holladay, an opportunity to make another sort of record by winning it in 1897, 1898 and 1899, carrying the steadying impost of 130 pounds in the latter two years and giving a surprising exhibition of consistently maintained form. It has never been won by a bad race horse, has always produced a rousing good race and has clearly demonstrated that our horses of today are as well able to cover a long distance as were those of days farther back. Its record is as follows:

Year.	First.	Age.	Jockeys.	Wt.	Second.	Age.	Wt.	Third.	Age.	Wt.	Val.	Time.
1895	Hen. of Navarre	(4)	Griffin	130	Rey el Santa Anita	(4)	126	Clifford	(5)	128	$ 2,400	3:02

CONDENSED HISTORY OF THE BROOK CUP STEEPLECHASE.

The chief point of interest attaching to the Brook Cup Steeplechase is not the added money, but a magnificent gold cup of the value of $2,500, which goes to the owner whose horses have won the race twice. Two owners have a chance to gain complete ownership today, W. C. Hayes with Grandpa and J. E. Widener with Mark Gumberts. The best any one of the other owners can do is to win a leg today. The race is one of recent establishment and its record is:

Year.	First.	Age.	Jockeys.	Wt.	Second.	Age.	Wt.	Third.	Age.	Wt.	Val.	Time.
1905	Grandpa	(6)	E. Helder	145	Pagan Boy	(5)	148	D. Roberts	(5)	147	$3,250	5:34⅘

BERWICK'S EXCELLENT RACE

GIVES AWAY MUCH WEIGHT AND WINS DOUGLAS PARK'S MAIN FEATURE.

Raleigh Surprises by Defeating Cymbal at Long Odds—Friend Harry Wins and Is Pronounced a Coming Crack.

Louisville, Ky., October 9.—Cold weather and a poor card kept the attendance down to comparatively small numbers this afternoon. With the exception of the fourth race, a handicap at six furlongs, the racing was mediocre and resulted in frequent upsets. Form reversals cropped up, the showings of Gerrymander, Raleigh and Financier, winners respectively of the first three races, were decided improvements over their last starts.

Berwick again demonstrated his high class by the splendid performance in the handicap of carrying 125 pounds to victory over some fast sprinters to which he conceded much weight. P. Dunne's speedy Honest set a tremendous early pace and for a time threatened to come away alone, but the McDowell crack, under Powers' good riding, got to him gradually and came away in the last seventy yards to win by three parts of a length. Darknight outstaying Dainty Dame in the last sixteenth for third place.

The defeat of Cymbal in the second race by the outsider, Raleigh, was accomplished in easy manner, much to the delight of Raleigh's backers, who received a long price for their investments. Cymbal was in for $400 and, Miller Henderson, owner of Ogbent, took advantage of it by trying to claim the Gerst horse for $625. H. J. Harris, owner of Dr. Simrall, also put in a claim for the horse and in the drawing was successful. Later it is said he sold him back to his former owner at an advance of $100. Miller Henderson has protested the claim on the grounds of collusion between Harris and J. Blute, trainer for W. Gerst. Henderson alleges that Harris had no thought of claiming the horse until approached to do so by Blute. The matter is being investigated by the judges and Harris and Blute were requested by the officials to make affidavit that the horse was not claimed under an arrangement.

Woodford & Buckner's crack youngster, Friend Harry, emerged from the maiden ranks by beating some of the topnotch two-year-olds in this section when he took the fifth race in convincing style. Friend Harry while in New York with the Fizer stable worked several six furlongs trials over the Sheepshead Bay course in less than 1:13. This shows him to be a youngster of merit and he will be the mainstay of the stable in all the Derbys to be decided next year.

Jockey Griffin, astride Imboden in the closing race, gave a weird riding exhibition by pulling his mount almost to a standstill at 100 yards from the finish when he was fast overhauling Mattie Mack, the winner. After the finish he claimed a foul against the winner, which was not allowed.

W. A. Hughes purchased Huerfano today from Hughes Bros.

Lyman H. Davis, who is acting as secretary here, will leave for New York tomorrow to shape matters into condition for the opening at the Empire City track for the four days meeting which begins Tuesday, October 19. Matt J. Winn, manager of the Empire City track, will depart for New York on Wednesday next. During Mr. Davis' absence Edward Jasper, formerly secretary of the Worth track, Chicago, and the Ascot Park track, Los Angeles, will have charge of the secretary's office.

Ham Keene arrived today for a brief stay before departing to Lexington. He will take up some horses turned out there to be shipped to California. He states that there are already a large number of horses quartered on the coast tracks awaiting the opening of the racing season, and that there will be more racers there than in any previous season. Jack Keene is at present in Japan en route to Russia.

H. C. Riddle departed yesterday for New York, where he will embark for France, where he has a splendid offer to train for a prominent owner. Jockey Nicol will, it is said, join Riddle when the former becomes permanently settled.

C. C. Van Meter has had several tempting offers from owners for his yearling colt by Woolsthorpe—Fashionable. The youngster is reported to have worked over the Lexington track a quarter in twenty-three seconds and furlongs close to eleven.

KEENE HORSES TO RACE AT OAKLAND.

San Francisco, Cal., October 9.—The colors of James R. Keene will be seen at Oakland this winter. Martin Nathanson today forwarded from New York application for stalls for eight of Keene's horses. Frank Weir wired that he would ship to Oakland on November 4.

Herman Brandt has changed his plans and will make Santa Anita his winter headquarters. Deutschland will be included in his string.

Nealon, the Suburban winner of 1907, was saddled today for the first time since his arrival and looked good.

Bookmaker Frank Eckert and his crew have arrived from Canada to await the local opening.

S. C. Hildreth sold Improve to Edward Hayes today.

The Durker, Coffey, Clancy, Fountain, Walstrom, Stover, Stanfield, Finn and Brannon stables remain to come from the northwest.

NOTES OF THE TURF.

Danny Maher rode his one-hundredth winner Saturday, September 26, at Newbury, when he piloted Mr. Barclay Walker's Llangwm to victory in the Kingsclere Stakes.

Duke of Roanoke, bought by D. Stevenson for $2,600 at the recent Whitney sale, will be turned over to William Hogan to be trained for jumping races. Hogan thinks Duke of Roanoke should do well at jumping as he is a half-brother to the famous jumper, Shillelah.

R. E. Watkins has shipped his stable, including Ida D., Miss Delaney and Lad of Langden, to Texas to race on the circuit there. Ida D., the fast filly by His Highness—Carrie C., and a full-sister to Jean Bereaud, has won the last three times out and should prove a good acquisition to Texas racing.

The price Sam Hildreth is reported to have paid for Angelus was nearly but not quite $5,000, the exact sum not being made public. With Uncle, Meelick, King James, Peter Quince, Angelus and Restigouche in his stable Hildreth will have the most formidable aggregation of four-year-olds ever campaigned in California by one owner.

Sam Hildreth arrived in San Francisco a few days ago and spent last Monday in inspecting his horses quartered at Oakland. He was well pleased at the improvement in appearance shown by Uncle, Meelick and the other horses after their long rest. Uncle has not raced in a year and many of the others have not raced since June, when they left New York.

The experiment of campaigning Ben Ban in France as a hurdle racer will be viewed with interest on this side of the water. Here his chief successes have been achieved at sprinting distances with light weight up. There he will have to change completely in taking up high weights and covering long distances. He is a perfectly sound horse and may be able to do it triumphantly. His speed is beyond controversy. It is said that Mediant, Spectatress and two yearlings will accompany Ben Ban to France, but are probably destined for racing in England.

Winner—Ch. g, by Ornament—Desayuno (trained by W. Shields).

Went to post at 2:58. At post 3 minutes. Start good. Won handily; second and third driving. Reidmoore followed the early pacemaker closely and was under restraint to the stretch turn, then came fast and, wearing Golf Ball down, won going away. Charlie Gilbert, jostled about and sharply cut off on the home turn, closed up again and just managed to get up in time to beat out Golf Ball. The latter showed a fine turn of early speed and set a fast pace, but tired in the last furlong. St. Ilario was a distant trailer most of the trip. The Shaughraun ran well and finished close up. Solon Shingle ran poorly. The winner was entered for $800; no bid.

Bannell ran under restraint for the first time around, then dashed to the front and, drawing away into a big lead, was pulled up at the end. Evander showed early speed, but tired badly in the last time around and was driving hard at the end to stall off Caloorahatchee. The latter finished with a rush and would have been second in a few more strides. Little Wally fell at the fifth jump and Tony Hart lost his rider at the twelfth.

Yaddo was repeatedly bumped, but ran a good race and finished resolutely. Astronomer ran well and was on the outside all the way and carried wide on every turn. Moonraker jumped on Clell Turney at the half-mile post and fell. Clell Turney was badly cut down. Servile and George S. Davis showed speed, but failed to stay.

HANDICAP OF JOCKEYS.

From time to time Daily Racing Form will publish a table of the comparative rating of those jockeys whose skill in the saddle has already been well demonstrated and of those who have not arrived, but give promise of coming excellence. The handicap will divide these riders into four classifications, of which those admittedly in the front rank of their calling will be indicated by 100, thence downward through 95 and 90 to 80, the lowest classification from which advancement upward will come when justified by good riding. The table will also show the number of mounts, wins, seconds, thirds and unplaced from January 1, 1907, will be corrected from week to week, and is as follows:

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed; nor will any answers be sent by mail.]

C. M. B., Chicago. See reply to Dr. C. H. K

J. G. S., Toronto, Ont. One hour earlier than Toronto time.

Cohen, Chicago. There was no betting and the wager was a draw.

Dr. C. H. K., Chicago. Apache would have paid $10.20, or a shade over even money.

J A., Chicago. The bet lost through the stipulation, that is, if it is correctly stated in your query.

J. A., Pittsburg, Pa. You have evidently overlooked something in your calculation. The bookmaker's figures are correct.

R. R., Toronto, Ont. When a person bets on a horse that is in two races without naming a race, action is on the first race in which the horse starts. The bet on Gridiron won.

Walsh, Chicago. The parlay was void as to the Keene entry and won as a single bet on the Schreiber entry. It should be paid as such, the bookmaker's contention being incorrect.
